## IMPORTANT NOTICE REGARDING AQUATIC VEGETATION

The Greyhawk Community Development District has received a communication from the Regulatory Support Bureau of the South Florida Water Management District regarding the removal of vegetation from the detention ponds behind homes.

The removal of Aquatic vegetation is prohibited. The vegetation is an integral part of the permitted storm water management system.

Please be advised that this action is prohibited by the permit for operation of the storm water system in Specific Conditions paragraph 15 of the Environmental Resource Permit #43030178.001 which provides:

***15. The removal of littoral shelf vegetation (including cattails) from wet detention ponds is prohibited unless otherwise approved by the District. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Any questions regarding authorized activities within the wet detention ponds shall be addressed to the District's Surface Water Regulation Manager, Sarasota Service Office.***

If there is a specific issue related to a pond or concern, please send an email to: [FieldMgr@GreyhawkCDD.org](mailto:FieldMgr@GreyhawkCDD.org).
